Press Box Policies

Head Sets

Mighty Mites & Atom – No one will be allowed in the Spotter's Box during Mighty Mites and Atom Games. It is more beneficial for coaches to be on the sidelines.

PeeWee & Bantam - A maximum of 2 registered coaches with headsets will be allowed in the spotter's box if a minimum of 4 coaches are on the sidelines. Must be fully registered with RMF.
These are the only Coaches on the PeeWee and Bantam teams allowed in the Spotter's box. Anyone not registered must leave.
No Coaches' children or RMF players are allowed in the Spotters box.

Swearing and/or abuse of any Coaches, Players, RMF Game Day Staff, Board Members and Officials will not be tolerated. If you are given a warning and this behavior continues this may result in an ejection from that game and a 1 game suspension.

Misuse, throwing or damage to a headset will result in an ejection from that game and a 1 game suspension.

If you have any problems in any of these situations, please let RMF know.
