

2023 RMF Fall Season Football League (Coaches Information)

Regina Minor Football regular fall season starts August 8th for Atom, PeeWee, and Bantam. The Mighty Mites season has a kick-off weekend camp starting Thursday August 10th for coaches and August 12th and 13th for players.

We are now accepting applications for the Head Coaching Positions and Assistant Coaches. Regina Minor Football has a great support system for all coaches, and especially the new Mighty Mite Coaches with safe contact training, tips and drills at the kickoff camp practice plans and a generic play book that all MM coaches must use.

The Deadline to apply is May 15th. All coaches must have their safe contact training, a criminal record check (in the last 3 years) and sign a self-disclosure form. Head coaches will need the respect in sport training. Coaches with eligible players registering will be placed on a team in the player's zone.

The coach's selection committee will be looking at positions in May and will attempt to have all Head coaches selected before the end of May.

The Female program (Victoria's) starts mid-August. Claire Dore is the Head Coach for the Victoria's. We will accept application from coaches interested in getting involved with the female program. Fill out the Coaches application for the fall season and indicate your preferred division as "Girls". Applicants will be contacted before the end of May.
