

Regina Minor Football 2000 Inc. Program Reports

2025 was an interesting year. RMF has been approached to look at doing a High School Academy. We have set up a committee and will examine the ins and out. We ran a Coaches Develop Series in July, which we felt was very successful, and will probably expand the series next Spring. We struggle each year trying to find over 40 coaching staffs, and will be looking into being more aggressive and start earlier recruiting Coaches. RMF spent over \$200,000 on equipment, which included purchasing 453 new helmets. We believe that our regular programs have all continued to give our players an opportunity to be successful in the great game of tackle football.

RMF U16 2025

The RMF U16 is a program for players aged 14 and 15, who are from Southern Saskatchewan. The RMF U16 is a feeder team to the Football Saskatchewan's U16 program and is a great learning tool for all players. The 2025 U16 South Sask program had 133 players try-out, 49 players were selected to the team. The team played two games against SMF North Sask U16 in May. Football Sask selected a team from the SMF and RMF programs and won the Football Canada U16 Western Challenge in Winnipeg.

Spring League 2025

The RMF High School Spring League is a 6 week program in April and May for players in Grade 9, 10 or 11 who are enrolled in a High School in Southern Saskatchewan. Players participate in Football Saskatchewan's Regina ID Camp. Four teams are then drafted and the teams practice twice a week and play four full High School games. This year 256 players registered for the ID camp and 177 players were drafted to the four teams. This program prepares players for the U16 and U18 programs and is a great learning tool for every player that participates.

Female Football (Victoria's) 2025

This was the eighth year for the Victoria's Female Football for girls in

grade 7-12. The Victoria's started training camp in the middle of August, 39 players registered for the program. The team was divided into a Senior and Junior team, but continued to practice together. The team played inter-squad and exhibition games. In 2026 the Victoria's will probably commit to playing 6 a-side and joining the female league in South Sask.
