

Regina Minor Football 2000 Inc. Program Reports

Although our numbers were down a bit in 2026, we still believe we had a very successful year. We believe that our regular programs have all continued to give our players an opportunity to be successful in the great game of tackle football.

RMF U16 2026

The RMF U16 is a program for players aged 14 and 15, who are from Southern Saskatchewan. The RMF U16 is a feeder team to the Football Saskatchewan's U16 program and is a great learning tool for all players. The 2025 U16 South Sask program had 134 players try-out, 47 players were selected to the team. The team played two games against SMF North Sask U16 in May. Football Sask selected a team from the SMF and RMF programs and won a silver medal at the Football Canada U16 Western Challenge in Winnipeg.

Spring League 2026

The RMF High School Spring League is a 6 week program in April and May for players in Grade 9, 10 or 11 who are enrolled in a High School in Southern Saskatchewan. Players participate in Football Saskatchewan's Regina ID Camp. Four teams are then drafted and the teams practice twice a week and play four full High School games. This year 230 players registered for the ID camp and 175 players were drafted to the four teams. This program prepares players for the U16 and U18 programs and is a great learning tool for every player that participates.

Female Football (Victoria's) 2026

This was the ninth year for the Victoria's Female Football for girls in grade 5-12. Victoria's training camp started in the middle of August, 34 players registered for the program. The team was divided into a Senior and Junior team but continued to practice together. The Senior team played in the 6 a-side Prairie Girls Football League and the Junior Team

played a couple exhibition games. We ended the season with a Female Football Camp for Junior players, and hope to find a league for our Juniors.
