Registration/Weigh In Information

- Registration/Weigh Ins will be held the week after training camps start. Registrations will be from Monday-Wednesday in the evenings. Times TBA for affiliate Teams. Each team will be scheduled to come on a certain night at a certain time. **No practicing on your designated night.**
- Team Managers must ensure all players & parents are informed about Registration and Weigh in procedures before Registration night.
- All players will be required to pay the balance of their fees, provide proof of age (new players only) and be weighed in.
- **Re: Payments for Fees**
It is preferred players bring cash or cheques on their designated Registration/Weigh in Night. They can also pre-pay the fees **before August 9th** by one of these methods:
 - E-Transfer to rmf@reginaminorfootball.ca (answer – football)
 - Online at <http://www.reginaminorfootball.ca/index.php/registration/make-a-payment>Note this must be done **before August 9th** so we can update our records accordingly.
Post-dated cheques are not accepted
- Acceptable forms of ID are Hospitalization card, Birth Certificate, Passport. Copies will be accepted.
- Players will be weighed in wearing shorts and t-shirts only.
- Players will be lined up alphabetically, with payments and ID in **their hands** when they come through the line. Please do not collect the fees and ID for them. If you collect it from them in advance, make sure you give it to them that night as they come through the weigh in line. Also, we do not want kids running out to their parents for their money or ID.
- Only players that are paid in full will receive their t-shirts and payment receipts.
- As players must also be weighed at this time, please familiarize yourself with the Weigh In Policy.
- If you have a player(s) who has been assigned to your team, who will obviously not make the weight limit for their division, it is best to contact the office immediately, so we can re-assign them to a team in the next division, if they choose to continue.
- Also, please inform us of any kids who will be close to the weight limit on registration night, so we can weigh them last in a more private setting.
- If anyone is going to be away for their scheduled Registration/Weigh In time, we have designated dates and times for them to complete their registration. (See Schedule) They do not have to call; we will be here during those times. Those are also the only times they may come to complete registration.
- All players must pay all fees, show id (if required) and be weighed in before they play in a game.
THERE WILL BE NO EXCEPTIONS.
