Why is my team and coach different? Teams in RMF are for 1 year. Every year teams are created based on the registration numbers for each division. To maintain an equal number of players on each team, some zone adjustments are required each year. The Board of Directors has implemented a registration system that is fair for everyone and in the best interest of the league.

If you have any questions or concerns about your registration, team placement etc. they must be made by email to Len Antonini, Registrar at rmf@reginaminorfootball.ca
