The RMF competition committee (CC) did not take the opportunity to discuss the questions from the 2020 FB online AGM in a formal meeting. It may have been due to the fact the CC did not physically meet in 2021, but in the end we didn't get it done.

However, there was discussions about the questions amongst the members of the committee. Leaving everything "as is" in 2021 was a decision made after the late start and end to our High School Spring League because of covid cases. This coupled with the uncertainty of the fall season made it easiest to leave things how they were.

The RMF Board of Directors believe we have developed a program that is second to none in the country. However, we are always looking to improve our product, and we hope that this offseason things get back to normal and we have an opportunity to analyze recommendations from our membership.
